

Dear Starfish Foundation prospective member

Thank you for your interest in being a member of the Starfish Foundation and supporting our work with veterans – ***Healing Warrior Hearts retreats*** – and trauma survivors – ***Taking It Lightly and Renewal***.

You can begin your membership with the **Starfish Foundation** today. Annual membership dues are only \$25 and help cover administrative expenses for the foundation. Donations received through fundraising efforts are dedicated to either area of our programming.

You might be thinking, “what are some benefits of being a member of the **Starfish Foundation?**”

Members receive:

- Emails about upcoming events (don’t worry, we don’t send too many emails) . . . just enough to keep you posted about workshops and graduation celebrations, fundraising opportunities, and playful events
- Invitation to attend annual membership meeting
- Voting rights for new board members at annual meeting
- Discounts on branded foundation items – like t-shirts, mugs, etc.
- Opportunity to join a community to make lifelong connections
- Knowledge that your support is making a difference, “ it matters to this one”

Below is a Membership Application containing a list of ways you can get more involved! Think about how you might pay it forward . . . and perhaps consider donating your time, talent, and/or dollars. As you know, we can only keep this important, life-altering work going with the continued support of our community and we are proud to offer these healing weekends to everyone, regardless of their finances.

Please take a moment to complete the Membership Application and return it, along with your annual dues.

Thank you for making a difference . . . it matters to this one!

With great gratitude,

***The Starfish Foundation Board of Directors***
