When veterans get home they bring back important stories to tell, of adventures and pain, of fear and courage, of learning.

However, friends and family often do not want to listen or are uncomfortable talking about war. So, if a veteran is going to open up at all, he might seek out another veteran to talk with. Unfortunately, when veterans talk together of the war, attempts at sharing the grief and pain often slip into a "That ain't nothing" or "Top this one" exchange of war stories. So finding closure through telling one's story is difficult to achieve and the deeper truths remain untold; the deeper pain remain unprocessed. Eventually, many veterans lock up their authentic stories deep inside their "inner vault" and stop talking.

**Healing Warrior Hearts** invites veterans to come all the way home and find out that they are not alone. There are many who care. Veterans are not charged to participate in **Healing Warrior Hearts** as we believe they have already "paid the price" with their service!

However, we cannot help our veterans without the help and support of the community. The Starfish Foundation, Inc., a 501(c)(3) tax-exempt organization, is sponsoring **Healing Warrior Hearts**. Veterans as well as civilians to support the veterans come from all areas - locally, throughout the state, and nationally - to do their emotional healing work.

We are asking local businesses such as yours to help support our veterans and acknowledge what they have given personally to each and every one of us, by a donation to help purchase food or other items needed for the retreats, or a gift of the needed items (please see the donation form for details).

Your donation will help make the emotional healing for some of our veterans possible. Please look deep into your heart and consider what you can give back to our veterans. Your donation may be tax deductible. For tax purposes the FEIN number for The Starfish Foundation, Inc. is 39-1847399.

Please complete the enclosed form for any type of donation you are willing to make to support our veterans and return it to my attention. I will contact you to make arrangements to pick up any items to support the weekend.

Our veterans have given of themselves to us, let's show them our support!

Sincerely,

The Starfish Foundation
